Key Facts & Policy Wording Booklet

This booklet will help you understand the insurance policy you have bought. It contains a summary of the benefits, Key facts of the policy and the complete schedule details. This booklet should be read in conjunction with your policy schedule.

A bit about us

DareDirect Limited was established in 1991 by people who are passionate about sport, from skiing to skydiving, walking to windsurfing. We recognised the importance of adequate insurance and, over time, have built up a deep knowledge of the industry. The team are fully up to date with trends in both the insurance and sporting industries and ensure they keep abreast of any new developments. Products are available both for Individuals (personal cover) and Businesses (commercial cover).

Demands & Needs

This Youth Sports Accident policy meets the demands and needs of an active person up to the age of 19 years at inception of the Insurance, who wishes to be covered by a Sports Accident Protection policy whilst participating in sports / leisure activities listed in the sports group(s) that they have chosen. This policy is not travel insurance as it has no cover for medical fees or repatriation.

Existing medical conditions

Any existing medical conditions - along with injuries incurred in the past 3 years and any injuries that have not fully cured – must be declared to us for consideration and review by completion of our Medical Questionnaire. Any claim relating to or associated with an existing Medical Condition will automatically be excluded unless we have agreed to cover (sometimes on special terms) in writing.

Proposer's Obligations

If you are buying insurance on behalf of others it is your responsibility to ensure that all persons to be insured under this policy comply with the Terms and Conditions and have been asked whether or not they have any existing medical conditions or if they have made a medically related claim on insurance in the past three years and to declare the response to us.

This document is a listing of our key facts for the Youth Sports Accident Insurance Policy. It contains selected information only. Your Insurance Schedule and the Schedule Details provide full details of the cover purchased.

What sort of insurance is this?

A Youth Sports Accident insurance satisfies the demands and needs of an active person who wishes to be covered by a Sports Accident Protection policy whilst participating in sports / leisure activities listed in the sports group(s) that they have chosen. This is not travel insurance as it has no cover for medical fees or repatriation.

How long will my cover last?

The actual validity dates are shown on the Insurance Schedule. Annual policies are valid for one full year and single day cover is valid on the day specified on the Schedule. Please note the cover will not incept if any payment method is dishonoured. We do not issue policies of more than one year although we will consider extending policies on application and with Insurers written agreement.

Are there any significant and unusual exclusions or limitations?

These are all set out fully in the policy wording and please note the following:

- This policy is only available to persons resident in the United Kingdom, Channel Isles, Republic of Ireland or an official BFPO address
- This policy covers amateur activities – professionals (earning over £4000 pa) are excluded.
- There is an exclusion for losses arising from war or terrorist activities
- The insurance contains important conditions that relate to your health and existing medical conditions. In particular you must declare pre-existing medical problems and details of all medical claims made in the past 2 years.
- There are specific sports conditions applicable to certain sports such as diving and mountaineering (see sports table)
- This policy is not a travel insurance and has no cover for medical fees and repatriation
- This policy is only available to persons under the age of 19 years at inception of the Insurance.
- There are limits to the amount the insurer will pay in all sections of the policy. Some sections have internal sub-limits.
- You may be responsible for paying part of the claim. The amount you have to pay is the excess. Under most sections of the insurance, claims will be subject to an excess as set out in the Benefits table.
- You are required to take all reasonable care to protect yourself and your property and to act at all times as if you are not insured.

What are my cancellation rights?

If the Insurance does not meet with your requirements you may return the documentation within 14 days of the date of issue and provided no claim is made, obtain a full refund. You can cancel outside the 14 day period but no refund of premium will be made.

How do I claim?

To make a claim you must contact One Claims at 1-4 Limes Court, Conduit Lane, Hoddesdon, Herts EN11 8EP or telephone 0845 120 6407 as soon as possible after the incident giving rise to the claim to declare it.

If I am unhappy what steps do I take to complain?

If you have any questions or concerns about any aspect of your insurance or the Insurers you should, in the first instance, contact DareDirect. In the event that you remain dissatisfied and wish to make a complaint you can do so at any time by referring the matter to the Policyholder and Market Assistance Department at Lloyd's. complaints@lloyds.com

What if I am not happy with the outcome of my complaint?

Am I covered by the financial services compensational scheme?
